**creative** Recycle your beaford Season Guide into a beautiful bouquet of handcrafted flowers

## Stage 1. Prepping the guide

You will need...Season Guide, scissors, paint, brushes & water.

Carefully remove the staples from the spine of the Season Guide.

Paint one side of each page. You can make as many as you like but one page will make 6 petals (you need 5 petals to make one flower).

Hand icon Fold each page in half vertically then into thirds. You'll end up with 6 sections.

Hand icon and scissors icon Cut and fold into equal squares.

This is what you should be left with.

## Stage 2. Creating the flowers

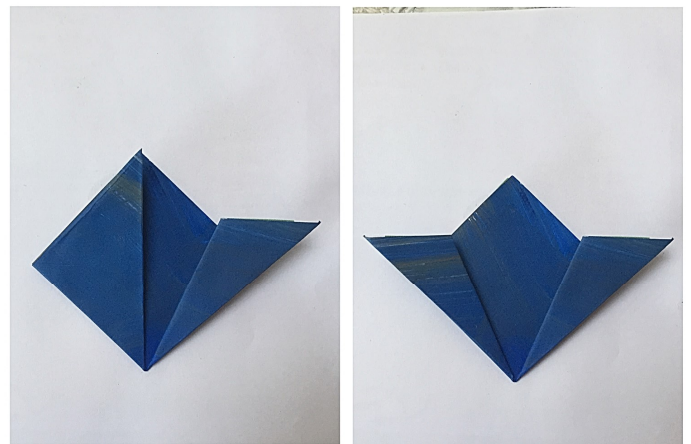

You will need...Equal sized squares of paper & glue.

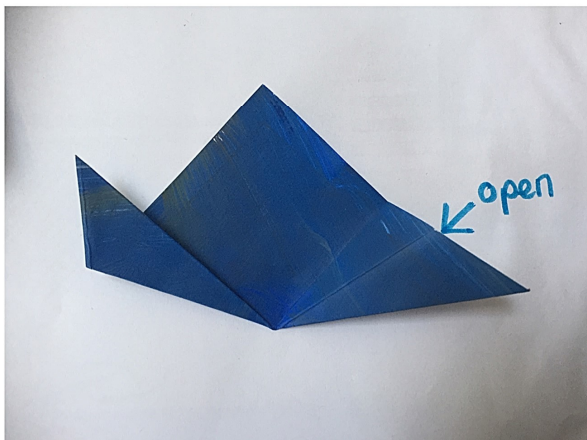

Hand icon Fold the bottom corner to the top corner to make a triangle.

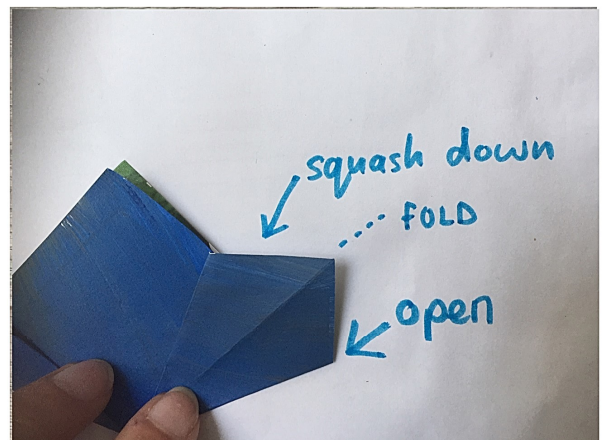

Hand icon Fold the left and right corners up to the top corner to make a square.

Hand icon Fold these same corners back to line up the long edges to the sides of the square.

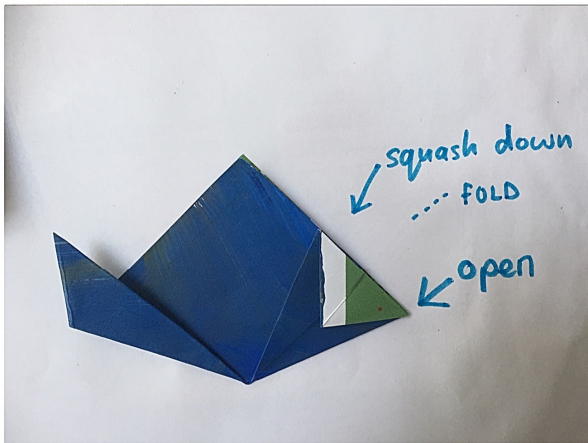

Hand icon Open up these little pockets you have made...

Hand icon ...and squash them down so that they lie flat.

## Stage 2. Creating the flowers...continued

 Fold the top triangles back so they are level with the edges.

 Repeat on both sides.

 Fold the triangles back in. This brings you back to a square.

Glue the triangle flaps you've created together. You have a petal.

Glue 5 petals together to make a flower.

To make stems you can recycle card, straws, roll newspaper, or use wire.
