

beaford

creative

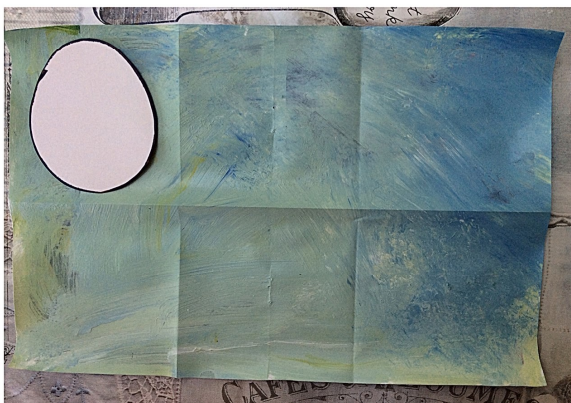

Recycle your beaford Season Guide into 3D Easter decorations

You will need...Season Guide or other paper, paint, brushes, water, scissors, egg template, glue & string.

Carefully remove staples from the Season Guide and paint the pages.

Fold each page into 6 sections and draw around your egg template.

Cut out your 6 egg shapes and get your glue and string ready.

Fold the eggs in half and glue together. Remember to add the string before you glue the last two sides together.

Your egg is now ready to hang up!

See the next page for more design ideas...
