

# beaford

**creative**

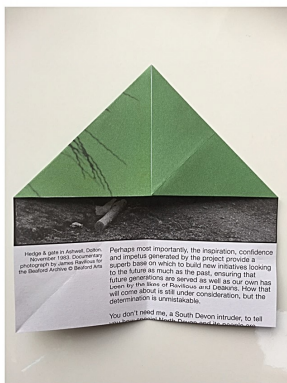

Recycle your beaford Season Guide into a leaping frog

You will need...Season Guide or other paper & scissors. ✂ Use scissors to cut a square from the paper.

Fold the square in half from top to bottom. Open then fold in half again but this time from left to right.

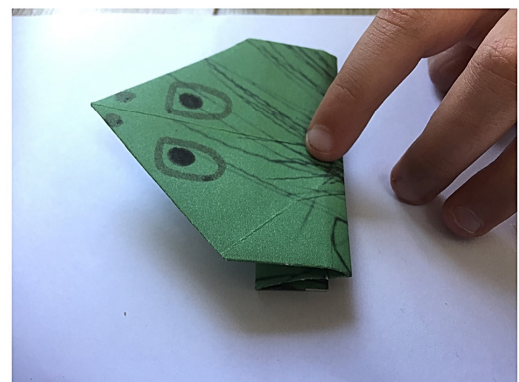

Open the square and fold the top corners down to the centre. Then fold the bottom edge up to the middle.

Fold the side edges into the middle and then bring the bottom edge up following the natural crease.

Fold the flap you've just created down to the bottom edge. then turn over and add a face.

Your frog is now ready to leap!
